## **CMC INFOCOMM SECURES S\$2 MILLION ORDERS FROM SINGAPORE TELCOS**

- **Telcos extended new maintenance contracts worth S\$1.4 million**
- **Order book to date stands at S\$18 million**

**SINGAPORE, 17 August 2015** – **CMC Infocomm Limited** (“**CMC Infocomm**” and together with its subsidiaries, the “**Group**”), a regional integrated and innovative communications solutions and services provider with operations in Singapore, Thailand and the Philippines, has secured S\$2 million worth of new orders from the Singapore telecommunications companies (“**Telcos**”). These orders include S\$1.4 million worth of maintenance contracts which are extended from the Group’s existing maintenance contracts with the Telcos.

**Mr. Kevin Phua (潘自銓), Executive Director and CEO of CMC Infocomm** said, “**We are delighted to be awarded with these new orders. These contracts secured from the Telcos are a testament to our reputation in providing quality solutions and services. We will continue to support the communications network operators to maximise their mobile network coverage and optimise their network performance.**”

Taking into account the new orders of S\$2 million, the Group has to date, accumulated an aggregate order book of S\$18 million. The current order book includes notable projects such as the In-Building contract of S\$5.2 million to upgrade the mobile and data coverage of Changi Airport Terminal 2. The new orders are expected to contribute positively to the Group’s financial performance for the current financial year ending 31 May 2016.

**“We expect to deliver a substantial portion of our order book within the next 18 months. Meanwhile, leveraging on our expertise and experience, we will continue our effort in expanding our business in Singapore, Thailand and the Philippines, as**

well as pursuing business opportunities in new geographical regions,” added Mr. Kevin Phua.
