## **CMC INFOCOMM AWARDED S\$4.0M WORTH OF CONTRACTS**

- **Continuous drive for Telcos to upgrade their existing telecoms infrastructure**
- **Outstanding order book to date stands at approximately S\$21 million**

**SINGAPORE, 28 September 2015 – CMC Infocomm Limited (“CMC Infocomm”** and together with its subsidiaries, the **“Group”**), a regional integrated and innovative communications solutions and services provider with operations in Singapore, Thailand and the Philippines, was awarded two contracts that are worth approximately S\$4.0 million.

These contracts were awarded from the Singapore telecommunications companies (**“Telcos”**) to carry out In-Building Coverage (**“IBC”**) projects and network migration for the upgrading and refurbishment in various parts of Singapore. The IBC projects will be rolled out in six commercial buildings in Singapore, namely, Bukit Panjang Plaza, Wisma Atria, Far East Plaza, Sim Lim Square, Novena Square, and City Plaza.

**Mr. Kevin Phua (潘自铨), Executive Director and CEO of CMC Infocomm said, “There will constantly be a need for Telcos to enhance their mobile network coverage, especially within buildings. Leveraging on our expertise in providing solutions and services to the telecommunications sector, we will continue to support the communications network operators to extend their network coverage and optimise their network performance in Singapore. To date, the Group’s outstanding total order book stands at approximately S\$21 million.”**

The current order book includes notable projects such as the In-Building contract of S\$5.2 million to upgrade the mobile and data network coverage of Changi Airport Terminal 2. The Group is expected to deliver a substantial portion of the order book within the next 18 months. The new orders are expected to contribute positively to the Group’s financial performance for the current financial year ending 31 May 2016.
